Texas Model A Parts

T2500-REL Left Hand Ruckstell Shifter

1. Assemble the shifter as shown.
2. Position the pillow blocks on the frame so that the shaft is directly behind (almost touching) the parking brake quadrant. Drill 4 (four) 5/16" holes and temporarily mount the pillow blocks to the frame.
3. Position the handle in the center of the slot in the floor board and tighten set screw.
4. With the ruckstell in low gear, position the arm to align with your shifter tube. If you do not already have a shifter tube, position the arm at 5 o'clock and cut your shift tube to fit. Position the handle at _" from the rear of the parking brake slot. Tighten set screw on arm. Do not attempt to shift the ruckstell with just the set screws holding the arm and handle.
5. Once satisfied with the location of the handle and arm on the shaft, remove entire assembly and finish drilling the _" holes in the arm and handle collars.
6. Install the roll pins provided.
7. Clean the assembly and paint as desired.
8. Install the assembly on to the frame and oil.

If you like our product, tell your friends. If you have a question or a problem, let us know.

Thanks, and Smooth Running,

TEXAS T PARTS

LIMITED WARRANTY

Texas 'A&T' Parts will repair or replace any part that we manufacture, for a period of 90 days from the date of purchase, that wears out or breaks.

Since we don't install parts, the part must be installed on the type of individually owned and operated passenger vehicle for which it is designed. Of course, we cannot replace a part whose failure was caused by another faulty part, low fluid, or other abuse.

Return any part directly to us, along with a copy of the sales receipt showing the date of purchase, and \$5 to cover shipping & handling. Do not return parts to your dealer.

That's what our warranty means in plain English, but we regret we must include this legalese, too: THIS LIMITED WARRANTY REPRESENTS THE TOTAL LIABILITY OF TEXAS 'A&T' PARTS FOR ANY WARRANTED PART, AND TEXAS 'A&T' PARTS MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. TEXAS 'A&T' PARTS SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES. Texas 'A&T' Parts reserves the right, at its option, to refund the customer's money instead of replacing a part. This warranty does not cover parts that are installed on marine, off-road, commercial, or government vehicles, or stationary units.
