### 5:1 Steering Gear Set Installation Instructions Item# T3517/19

1. Both, long and short planetary gear pins are supplied. Select the correct length for your car. The long pin is to be used if your steering gear box has a groove to accept the extra length.
2. Press the selected pin into the hub until it is flush with the top of the planetary gear.
3. If using a long pin, the clearance in the gear box should be checked for length. It may be necessary to grind off the bottom end of the pin to provide correct clearance in the gear case. The pin must slide freely in the groove.
4. Both the top and the bottom of the hub should be thoroughly greased with wheel bearing grease before installation.
5. Warning: After installation is complete, jack up the front of the car, and insure the steering turns freely in both directions.

If you like our product, tell your friends. If you have a question or comment, let us know.

Thanks and Smooth Running, TEXAS 'T' PARTS

#### TEXAS 'T' PARTS LIMITED WARRANTY

Texas 'T' Parts will repair or replace any part that we manufacture, for a period of 90 days from the date of purchase, that wears out or breaks.

Since we don't install parts, the part must be installed on the type of individually owned and operated passenger vehicle for which it is designed. Of course, we cannot replace a part whose failure was caused by another faulty part, low fluid, or other abuse.

Return any part directly to us, along with a copy of the sales receipt showing the date of purchase, and \$5 to cover shipping & handling. Do not return parts to your dealer.

That's what our warranty means in plain English, but we regret we must include this legalese, too: THIS LIMITED WARRANTY REPRESENTS THE TOTAL LIABILITY OF TEXAS 'T' PARTS FOR ANY WARRANTED PART, AND TEXAS 'T' PARTS MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. TEXAS 'T' PARTS SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES. Texas 'T' Parts reserves the right, at its option, to refund the customer's money instead of replacing a part. This warranty does not cover parts that are installed on marine, off-road, commercial, or government vehicles, or stationary units.
